Hi everyone.

Well by now I hope you've all recovered from all the fun and festivities of Christmas and the New Year, and are ready and raring to go for another year.

Venues for the meetings have already been set up to July, and it's great to see some new names appearing, but places are still needed for August, September and October, so if you'd like to show off your beautiful gardens to the rest of the members please let Sue know and she'll add you to the list.

The AGM is next month and will be held on the third Saturday not the fourth. If you wish to nominate for a position on the Committee it's not too late, and forms can be obtained from Sue, and must be returned to her by February 10th.

Unfortunately Rebekah Trevor can't be with us this Saturday, but has been rescheduled for the March meeting. There may be a change of venue that month from the Botanical Gardens, and if so it will be advised in the next newsletter.

The May bus trip to Bundaberg and surrounds is one not to be missed, with four stops organised at Val Honeywood's, Ray and Del Gough's, Lois and Dave Jensen's and Russell Holzheimer's. What a marvellous chance to see how others do things, and possibly add some more beauties to your collection too. Let's face it, there's always room for a few more at home isn't there 😊

There were some questions asked recently about clarifying what this month's Plant Of The Month is, and the committee has advised that it is a colony of one type of mini, not a collection of several types.
